Heart for the House 2017

WHAT IS HEART FOR THE HOUSE?

This house is a house of God. But it is more than just a house, **it is our home.** Heart for the House is a special once-a-year offering over our normal tithes and offering. The giving received during Heart for the House is our means of paving a way for the future. It's about more than the right here, right now. It's about taking our **next steps** toward our vision as Fusion City Church and paving the way for the future generations.

WHERE WE BEGAN

Fusion City Church was birthed out of a God vision. Ps Matt and Gill McGaw felt the call of God to pack up their lives and relocate to Canberra with their children.

While Fusion had very humble beginnings, in the past 9 years God has been so faithful.

Want to know who else has been faithful? YOU. Through your giving, serving and prayers, Fusion has grown into a thriving church community.

THANK YOU.

TO BE A LEGACY BUILDING CHURCH
WHOSE HEART IS TO HELP PEOPLE:
KNOW AND ENJOY GOD, DISCOVER THEIR
PURPOSE AND MAKE A DIFFERENCE.

THE FUTURE LOOKS GOOD

This year we launched a new vision statement. It isn't some pretty words to hang on a wall - it is our future, our direction, our purpose.

Our vision is "to be a legacy building church whose heart is to help people: know and enjoy God, discover their purpose and make a difference."

As a church and as individuals, we are encouraging everyone to take their NEXT STEP. A next step looks different for everybody but ultimately it means to take the next step on your faith journey. In 2017, we want to see you pursue the things of God in a new way and live your best life.

OUR HEART

The generosity in your giving toward **Heart for the House**
will help our ministry in three key areas.

Our Home

Our Legacy

Our World

Our Home

There are a number of ways we are looking to build our effectiveness as a growing church - both at our Sunday services and our LifeCENTRE facility. These items will be purchased for the purposes of training our team and equipping the next generation, we are wanting to purchase a keyboard for the worship team

(so personal instruments no longer need to be loaned), upgrading the LifeCENTRE computers (the PCs requiring upgrade are more than 10 years old), complete the kitchen fitout at the LifeCENTRE, purchase a sound desk for the LifeCENTRE and games & other resources to develop our vibrant youth ministry - Ignite Youth.

Our Legacy

**When you imagine the
future of Fusion City Church..**

What do you see?

For many of us, that image starts with our own building. A facility that has room for our growing family, that changes our community and makes the name of Jesus famous. In order to reach out toward this goal, we have to start now with a plan. Purchasing a commercial property is a big leap and we first need to take a number of

small steps to get there. Our board, financial team and senior pastors are in agreement that our first step is to secure a deposit on a residential property as an investment. As our investment grows, we take a step closer to securing the finances for a deposit on a commercial property and a forever home for Fusion.

OUR LEGACY PLAN

Bring

As we bring our H4H offering, we start our building investment fund. We hope to receive \$50,000 to be used as the required 20% deposit on a residential property.

Sow

With a healthy deposit, we plan to purchase a residential apartment or house as an investment toward the deposit on a corporate property.

Grow

We expect a commercial property that would meet the needs of our growing church to cost \$4million. The deposit required on a commercial property is 35% which means we need to have gained \$1.4million in investments to reach our target. This will require further growth of our investment portfolio through the purchase of other residential property.

Harvest

When we've reached our investment goal and have found a suitable property (or block of land) to build our church's future home upon, we'll make a purchase! Exciting times!

Home

Through your faith and generosity we have now purchased (or built) a permanent home and venue for Fusion City Church. THANK YOU!

Our World

Our God is the God of abundance, not only of grace and love but He has blessed us with wealth and financial stability. It's our heart to use our blessings to be a blessing to a world in need. So this year, part of our H4H offering will go direct to purchasing a need within our Compassion projects in East Kalimantan.

YOUR CONTRIBUTION

Don't underestimate the part you play in building the future of Fusion City Church and a legacy that will continue for many years to come. We ask that you prayerfully consider what you would like to give.

HOW TO MAKE A PLEDGE

Giving towards Heart for the House does involve going above our usual tithes and offering, so in some cases, people choose to make their H4H offering in parts over a period of time (ie weekly, fortnightly or monthly) rather than as a one-off payment. To make part payments, please submit a pledge card that helps our finance team consolidate the H4H offering installments. These pledge cards can remain anonymous. A pledge card will be provided in this booklet and made available at the Info Desk.
