Heart for the House
Fusion City Church
2023

A message

from

Matt

& Gill

This is our 15th year since Fusion started in a small community room in central Gungahlin in June 2008. When our family moved from Adelaide, we did not have much, and we had no idea who would pitch up for those first services, but God's promise burned in our hearts. He had placed a dream of what could be here in our nation's capital, and now we marvel at all He has done and His goodness toward us.

We also know that he has not finished yet! There is still so much more that He wants to do in and through the Fusion family. Our annual Heart for the House campaign is one way that we can partner together and sow into that unfolding kingdom legacy that is Fusion.

Your generosity and faith response over the years has enabled us to sow into our Legacy, our Community and our Home in such a wonderful way. In 2022 we had over \$125,000 come in, which has enabled us to continue to save for a building/land deposit, resource our Fusion Community Care program, support a church-planting couple in Indonesia, and upgrade our network, media, and broadcast equipment.

Thank you for your ongoing partnership with us as we seek to glorify Jesus, impact lives for Him, and live out our theme for this year, He is Worthy of it All.

Fusion is God's house and our home. Heart for the House is a special once-a-year offering, over and above our normal tithes, where **we sow into the legacy and future that God has for us as a church.** It is our means of paving a way for the future, activate our faith and seed tomorrow today.

The

Purpose

The

Heart

Our Legacy

Our Hub and LifeCENTRE venues are a real blessing. We are just under four years into a five-year lease, with an option to renew. We continue to look, in a tightly held market, for a building/land to purchase. If nothing becomes available, one option is to extend our leases, and then look to purchase an investment property. Either way it is about securing our long-term future and being ready for potential God opportunities for expansion.

Our Community

Our Community Care ministry continues to grow and increase its effectiveness as the hands and touch of Jesus to those in need. We are looking to continue to fund our successful playgroup that is free for participants, resource our care pack initiative, fund our community staff roles, and build on our successful Serve Day from 2022. We are actively exploring other new partnerships and continue to support a church planting couple in Indonesia, Ps Leighton and Grace Gallagher.

Our Home

This year, amongst other things, we are looking to upgrade our wireless in-ear capability for our worship team. We would like to upgrade our kid's equipment, and continue to improve the space to make it suitable for all ages and abilities. We would also like to purchase a portable stage to help with events, camps and conferences.

Your Contribution

Do not underestimate the part you can play in helping shape the future of Fusion. We want you to prayerfully consider what your faith response will be, and how you can financially partner with us.

Our Commitment Sunday on 27 August 2023, you can submit your pledges either in-person or online using the QR code, or by emailing the Commitment form to h4h@fusioncitychurch.com.au

Scan to
pledge
online.

Bank Transfer
